- * Set the course on Tuesday night - see the bartender for the key.
- ** Throw old targets in garbage bin in south parking lot.

- * Maintain your bunker area and half-way on each side, every week.
- ** Your bunker number is the same as your week to set course.
- ** Mow around bunker, trail (if not rock), and shooting areas.
- ** Check bunker carpet and cover/replace if necessary.
- ** Week 16 will maintain around the shed and practice area.

- * Inspect practice targets and replace as necessary.
- ** Use targets from previous week, if in good condition.

- * Adult and junior stakes set at maximum of 35 yards - has target number.

- * Cub and cadet stakes set at maximum of 15 yards.

- * Must be a clear shot at the vitals. Try to simulate hunting shots.

- * Remember there are right and left handed shooters.
